

South Bendigo Athletic Club 2022 Club Run 13

Atlas Road, Junortoun

Including the Peter Curtis Snr Memorial 1500 metres

Today (27/8/22) we held the Peter Curtis Snr Memorial 1500 metres in the Wellsford forest at Atlas Rd. The course started at the gates of the Multi User Army Depot and went along the old rail siding through slippery conditions to the O'Keeffe Rail Trail at Rangelea. The short and medium length races stayed on the trail, allowing for fast times and close finishes. The weather was absolutely perfect for running, and everyone was in good spirits. The long course split off into the bush at the 3km turn to tackle some hilly terrain through the forest. Even on those hills, the athletes pushed hard, with Brendan Hillier and Peter Curtis Jnr giving it their all. Special mention to Christine who had us worried when she decided to run a little further than required. All well that ends well though. Hope to see as many athletes as possible next week for the Donna Tickell memorial at Woodvale Recreation Reserve. Where we will also be doing the club presentations for the season. Thanks as always to our fantastic and much appreciated sponsors and volunteers. They make it a pleasure to be part of the club.
