

## South Bendigo Athletic Club 2022 Club Run 8

### Pearces Road Mandurang

On Saturday 25<sup>th</sup> June we headed out to the infamous Pearces Rd at Mandurang for arguably the toughest circuit we race. The skies offered a little rain at the start line but that was short lived as the athletes attacked the steep and rocky terrain. A good battle was had at the end of the 8.5 km with Jackie and Peter in a dead heat. Same as every other week, we couldn't run the event without our volunteers and naming sponsors. Also, **Champions Supa IGA** help us as always.
